Cupcake Extravaganza!

Welcome to Hurlburt Field and to the Hurlburt Spouses Club (HSC)

It's hard to believe January is already over. I'm still not quite recovered from the holidays. The HSC however is back full steam ahead. The January cupcake social was a fantastic way to perk us all up post holidays. I'm very impressed by our novice cupcake decorators. They definitely put me to shame. Of course, Stephanie was a wonderful teacher.

We are seeing a steady flow of new members. Six more joined at our January social. Way to go getting the word out ladies. It's great to see us reaching areas of base that haven't previously participated. We really are in this together.

Our special activities are in full swing. All the 'usuals' are up and running, but the cruise meetings have also started. Even if you missed the first one there is still plenty of time to get on board. I know I'm hoping to go on the trip. They won't have a royal wedding to celebrate like they did last year, but I know they won't let that hold them back.

As always I encourage you to find out how you can become more involved and find your niche within the HSC. We have so many talented members and we couldn't do it without you. Join a club, join the board, join a committee, or head over to the Thrift Shop - we have some place for you. I look forward to seeing everyone in February at the Make It, Bake It, Grow It (or Fake It) auction and social.

See you soon

Julie
